**VET FEE-HELP**

Take advantage of the exciting opportunity to study towards your dream career with VET FEE-HELP, an income contingent government loan scheme that helps eligible students complete a VET qualification without having to pay upfront.

**You are eligible for VET FEE-HELP if you:**

☑ are an Australian citizen or permanent humanitarian visa holder (resident in Australia for the duration of the unit); AND
☑ have not exceeded the FEE HELP limit; AND
☑ have completed or studying year 12 Secondary education in Australia.
☑ Other qualifications will not be accepted as a substitute of Year 12 to be eligible for a VET FEE-HELP loan, including:

- a VET qualification (e.g. Cert III, Cert IV, diploma)
- a higher education qualification (e.g. degree or higher tertiary qualification)
- an overseas year 12 equivalent qualification
- achievement of a Certificate IV within the same suite of the applied Diploma
- any 'Fee for Service' program that has Reading and Numeracy components in it to provide another pathway for students that do not meet Level Exit Level 3, and should they pass this unit, gain entry into the diploma
☑ meet course requirements as follows:

- are a full fee-paying / fee for service student studying a diploma, advanced diploma, graduate certificate or graduate diploma level course at an approved VET FEE-HELP provider; OR
- are a student subsidised by a state or territory government (other than the Australian Capital Territory) studying a diploma or advanced diploma course; OR

are a student subsidised by the Victorian, South Australian, Queensland, Western Australian and New South Wales Government studying in a specified certificate IV course (nominated courses vary by state) as part of the Certificate IV Trial that concludes in December 2016; **AND**

are enrolled with an approved provider in an eligible unit of study by the census date for that unit.

---

**COURSE INFORMATION**

**Course summary**

This qualification is designed to reflect the role of individuals working in accounting and seeking professional identification. At this level individuals are expected to apply theoretical and technical skills in a range of situations and to display initiative and judgement in planning activities. They have autonomy in performing complex operations and can be responsible for planning, coordinating and evaluating the work of others within broad but generally well-defined parameters. This qualification provides pathway into most university business or accounting courses or establish a career pathway into other business areas.

**Career opportunities**

Upon successful completion of all units in this course, students are eligible for the FNS60215 Advanced Diploma of Accounting qualification. Possible career opportunities relevant to this qualification include:

- Accountant
- Accounts officer
